

Eziform™ Product Performance Warranty

Eziform Sheet Metal warrants that products manufactured and supplied:

- Are manufactured from COLORBOND®, ZINCALUME®, GALVSPAN®, stainless steel or aluminium.
- Are “fit for purpose” when installed and maintained according to our specifications as published in our product literature.
- Will comply with relevant Australian Standards as published in our product literature.
- Will perform as detailed in our published product literature.

The Eziform Sheet Metal Product Performance Warranty only applies when:

1. The products are installed in accordance with published Eziform Sheet Metal product literature current at the time of installation.
2. All fasteners and fixings meet Australian Standards and are in accordance with Eziform Sheet Metal product fixing recommendations.
3. The product is a genuine Eziform Sheet Metal product with proof of purchase to be made available upon request.

The Eziform Sheet Metal Product Performance Warranty does not apply when failure of the product is due to any of the following reasons, or any cause beyond the control of Eziform Sheet Metal:

1. Neglect, mistreatment or insufficient maintenance.
2. Damage caused during storage, handling and installation or after installation.
3. Structural defects of the building, including ground movement.
4. Storm, tempest, flood, fire, lightning, acts of God or anything else outside our control.
5. If the installation has not been carried out in accordance with all the requirements of material durability warranties, including but not limited to COLORBOND®, ZINCALUME® and GALVSPAN®.

This Product Performance Warranty does not cover the Eziform™ product for corrosion to perforation by weathering or paint flaking or peeling. Nor does it cover the product for damage caused by interaction with dissimilar metals by direct contact or by water runoff.

To obtain a warranty in respect to corrosion to perforation by weathering or paint flaking or peeling, please contact Eziform Sheet Metal for the material manufacturer's details.

Eziform Sheet Metal is an ASSDA accredited stainless steel manufacturer.
